Dear Member.

A brief up-date from your club's Committee.

We made the tough decision to cut the run of Macbeth short shortly before the government forced closure of all theatres. If you're one of many members who didn't get to see it, we're really sorry and hope you understand our decision to put health above entertainment on this occasion.

Following a recent online committee meeting we have decided to cancel our remaining productions for the 2019/20 season. This decision was made in light of the safety aspects and social distancing rules we must now follow. Christine Adams, our Box Office Manager, will be contacting our Season Ticket holders shortly.

Our AGM, due to take place on 18th June, has also been postponed until such time as it is safe to meet. The current committee have all agreed to stay in post, doing whatever they can for our club until we can re-schedule the AGM.

Our beloved Little Theatre is receiving weekly visits to ensure it remains ready to welcome you back. Whilst we are currently unable to schedule plays, we are thinking hard about possible options for your next entertainment. As ever, we would love to hear your ideas too, whether they be about what you'd like to see next or entertainment you might like to provide for members within current or future restrictions.

The committee are still meeting regularly (online of course) and will communicate via e-mail, Social Media and our website as soon as we have information to deliver about moving forward with our 2020/21 season.

Please bear with us through these unprecedented times. We look forward to meeting you all at The Little Theatre as soon as it is safe to do so. In the meantime please stay safe.

William Shakespeare's

MACBETH

Directed by Peter Carter-Brown

'Well done to all those involved in the Macbeth production! Very effective staging, wonderful lighting (Dave Houghton), atmospheric special effects (Craig Fisher), clever concept (Peter CB), lovely choreographed pieces (Lynette D), special mention to Sienna who led the three witches and some excellent performances! Have a great Week!'

'I saw it last night and I thought it was excellent. Such an original and superbly acted production.'

'Fab production - well done everyone. The 'special' witches were sooooo spooky.'
